Telephone us at 1-800-9CATHAY (1-800-922-8429) or write us at Cathay Bank, ATM Card Services, RS-14, 9650 Flair Dr., El Monte, CA 91731 as soon as you can if you think your statement or receipt is wrong, if you have a problem with your access device, or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your letter: 1.) Tell us your name and account number. 2.) Tell us the dollar amount of the suspected error and the date of the transaction in question. 3.) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. If you are a natural person and your account is used primarily for personal, family or household purposes, we will tell you the results of our investigation within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days (5 business days in some cases for VISA Check Card (Debit Card) transactions) for the amount you think is in error, so that you will have use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not provisionally credit your account for the amount you think is in error. For errors involving new accounts, point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation. For non-consumer accounts, we will investigate and if we find we have made an error, we will credit your account at the conclusion of our investigation. **To confirm pre-authorized credits: 1-800-9CATHAY (1-800-922-8429)**

Check 21 Notification. If you request the return of your original check you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your Branch of Account or call 1-800-9CATHAY to request a Check 21 disclosure.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.
